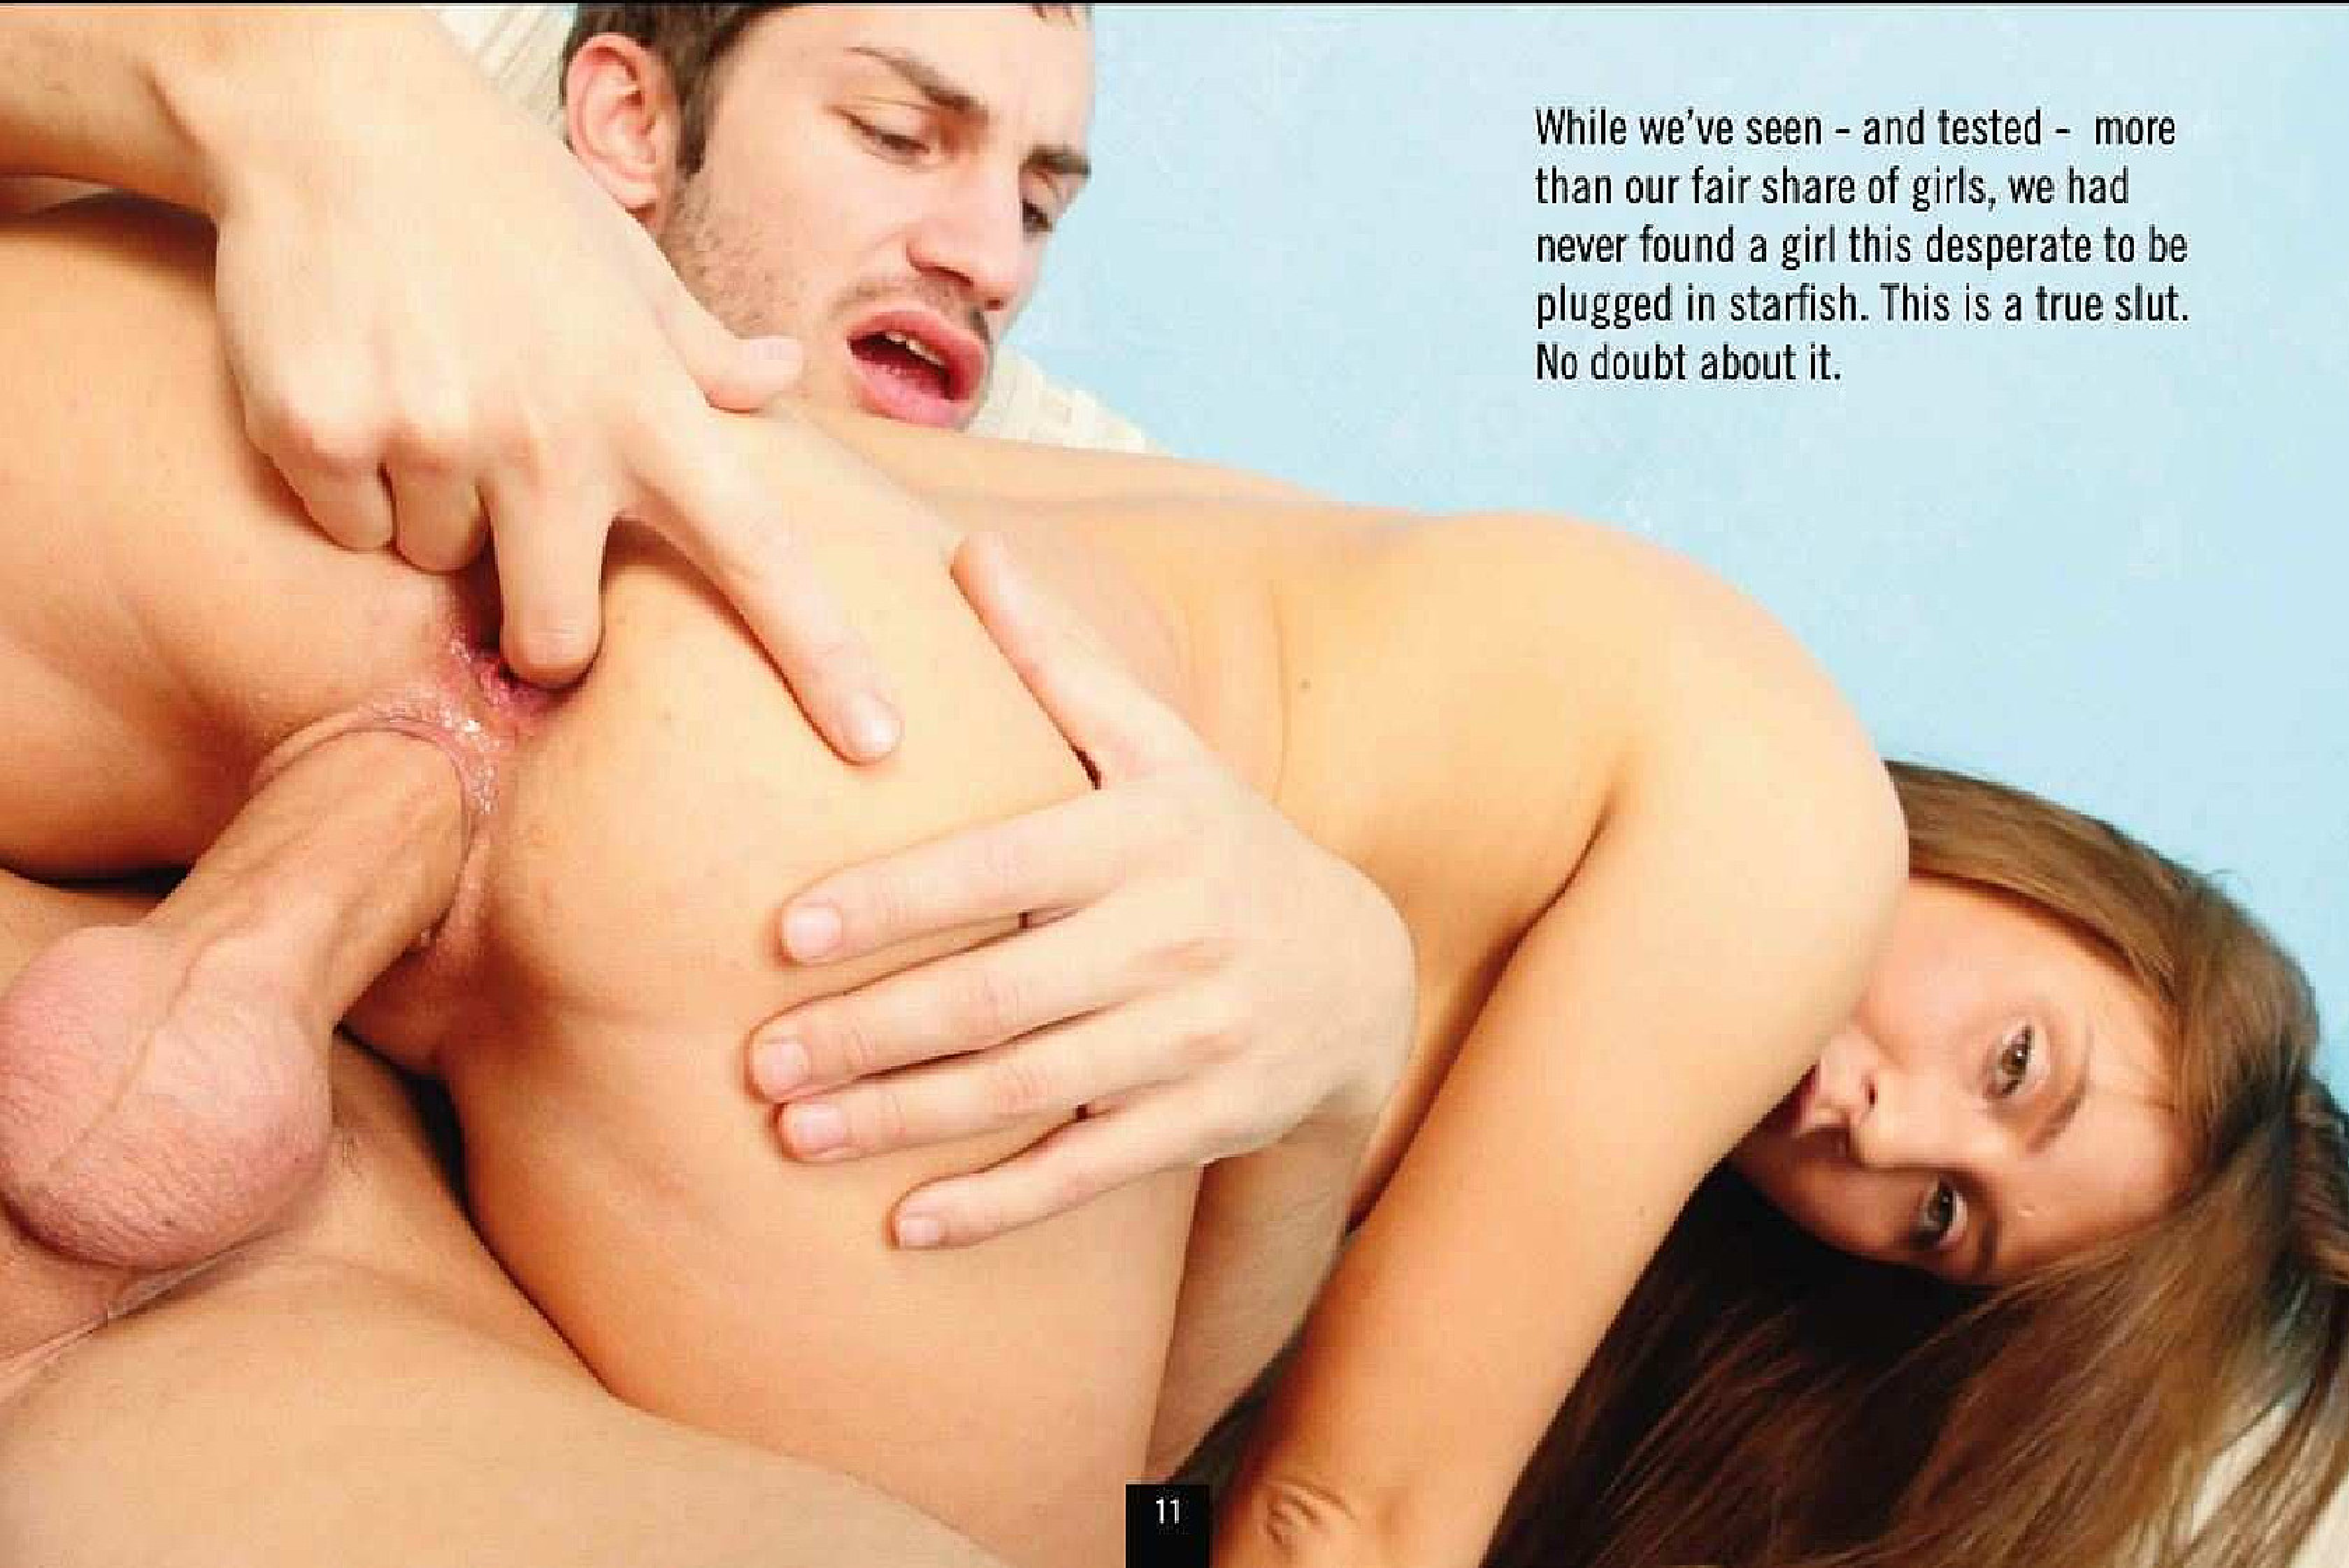
Staci

Fresh Face, Hot Ass

A lot of the girls that come in to audition for the first time are really nervous and Staci was no exception. Well, she had nothing to worry about—this girl is smoking, from her tight, hot body to her eager-to-get-down-to-business attitude. We ain't no psychics but you don't have to be one to predict that this girl's going take the sex world by storm.

She may have said she was feeling shy, but by the time she had finished stripping, her pussy was sopping wet.

It was the first time Staci was being watched and judged on her skills. She had never felt so horny in her life.



While we've seen - and tested - more than our fair share of girls, we had never found a girl this desperate to be plugged in starfish. This is a true slut. No doubt about it.

She kept saying she was feeling nervous on set, but there wasn't anything Staci would say "no" to.

Anal? Yes, please.

There's no doubt about it: Staci might be new to the business, but she sure knows what to do, and how to please. Time to give her a call and see for yourself.

When Lynn first arrived in America a few weeks ago, she wasn’t fluent in English but she knew her Romanian accent and distinct Eastern European features would give her an advantage in what she really wanted to do. Her family back home has no idea, but Lynn is set on making it big in, what else? Adult entertainment.

Lynn

THE EXOTIC WONDER FROM ROMANIA

Lynn was a natural; it was clear she had been practicing at home. We didn't have to ask her twice to get naked and show us her Eastern assets.

As it turns out, Lynn can't resist North American men. One look at that foreign cock and she was so wet we almost couldn't believe it. Lynn was ready to try anything, with anyone.

She was so eager to please us, we just had to see if she was as tight and delicious as she looked.

It didn't take long for us to learn our lesson: foreign is always better and wilder.

Lynn doesn't want to go back to Romania, but she'll be forced to if she can't make her big sex superstar dreams come true. Why not call and help her out?

POWER PLAY

The bitch didn't have to be seduced; she fucking wanted it, bad. She was moaning and groaning like a wild woman, as Dex squeezed her fat tits, sucked on her swollen nipples. She thrust her chest into Dex's face, clutching his hair and yanking his head even closer.

I watched them through a crack in the closet door just off the front hallway, my husband mauling and sucking his boss' tits, his boss urging him on.

Slave-driving Valerie had invited herself over to our home on a weekend to finish up some work on a contract. Dex had suggested to me before she came over that he should try to put the moves on the voluptuous, fortysomething blonde; either get her in a compromising position for his and my pleasure and profit, or at least drive her away from the sanctity of his free time with his unprofessional behavior. The woman was married to the octogenarian who owned the plant where she and Dex worked.

But what had seemed like a tantalizing idea on the spur of the moment, had turned decidedly nasty in the heat of execution. Because the bitch just wanted it too much, reacting to Dex's fondling and sucking with pure delight, hugging my husband tight to her tits. And Dex was enjoying it a little too much, as well.

I dropped the camera and my clothes, strapped on the dildo I was supposed to fuck Dex with later for being a 'bad boy'. There was just no fucking way I was going to be a silent camera observer to this wicked sex scene. Not when I was dripping wet with anger and lust.

Dex shoved Valerie back on our couch and dropped down onto his knees on our carpet. He pushed the woman's skirt up, tore her panties right down the middle, exposing blonde sopping cunt. Then he gripped Valerie's thick, white thighs and dove his head down in between her legs, his tongue into her pussy.

"Yes!" she howled, shuddering, tits humping.

She grabbed up her floppers and roughly handled them herself, plucking violently at her distended nipples and wantonly rolling her head against the couch. As Dex bobbed his head up and down, lapping the woman's cunt.

I gripped a black velvet tit, crushed a licorice nipple between my fingers, grabbing onto my faux-cock and fisting. Watching my husband eat out another woman.

Dex's fingers sunk into Valerie's quivering thighs, his tongue stroking her slit quick and hard. The blonde let go of her reddened jugs and grabbed onto my husband's head again, squeezing her splayed melons together with her arms, excitedly jerking Dex back and forth between her legs.

"Fucking bitch!" I hissed, furiously jacking my dildo, viciously twisting my nipples.

Valerie screamed, "Oh, God, I'm coming! I'm coming!"

Her eyes rolled back in her head and she spasmed repeatedly, her thrusting cunt bouncing my husband's head around.

He popped up and gulped for air, his nose and lips and chin shiny with pussy juice.

"I want to suck your cock!" Valerie gasped. The big beautiful woman was one hungry bitch.

I'd had enough of it. It was time to get me a piece of the action.

I stormed out of the closet totally naked, twelve-inch ebony dong dangling off my slender, ebony body. Valerie stared at me, her big mouth opening and closing without any words coming out. Dex grinned at me, licking his cum-smeared lips.

"You get the pictures?" he asked.
"I got the picture, all right."

"Wh-what's going on?" Valerie gaped.

"On your hands and knees, bitch!" I rudely answered her.

The woman moved fast; she was up on her hands and knees on the big leather couch in seconds. I jumped in behind her fat ass, stabbed a hand down onto her cunt and greased it with hot sauce, then my strap-on. "I'm going to fuck her in the butt while she sucks you off!" I rasped at my husband. "This bitch is going to take it in the ass both ways."

Dex nodded, catching on quick, and enthusiastically. He stood at the end of the couch, in front of his boss, and stripped down his pants. His long, hard cock bobbed up into her face. "Suck it, bitch!" I ordered, glaring at my husband.

Valerie instantly swallowed Dex's knob, inhaled his pipe almost down to the balls. He groaned and grasped her blonde hair, as I tore the woman's butt cheeks open with one hand, rammed my dildo up her butt with the other. She choked on Dex's cock, my life-like prick pushing full-length into her chute.

She was burning hot to the touch, matching the heat in my body and loins, the fire in Dex's prong. I gripped her plush hips and thrust mine, fucking her bung, driving the woman's mouth back and forth on Dex's cock in rhythm to my brutal banging.

Dex fucked her mouth in return, staring at me sticking his boss in the ass. We slammed the woman between us, mouth and anus.

The dildo platform pressured my buzzing clit with each frenzied stroke. Dex grunted and jerked, blasting his steaming load down Valerie's throat. I jerked and cried out, scorching orgasm shocking all through me.

Dex got a big, fat raise, and I got a diamond ring the size of Kobe's wife's – payment for our promise to keep quiet about the boss-bitch's extramarital affair. We got her as our own personal sex toy, as well; an added bonus for all concerned.

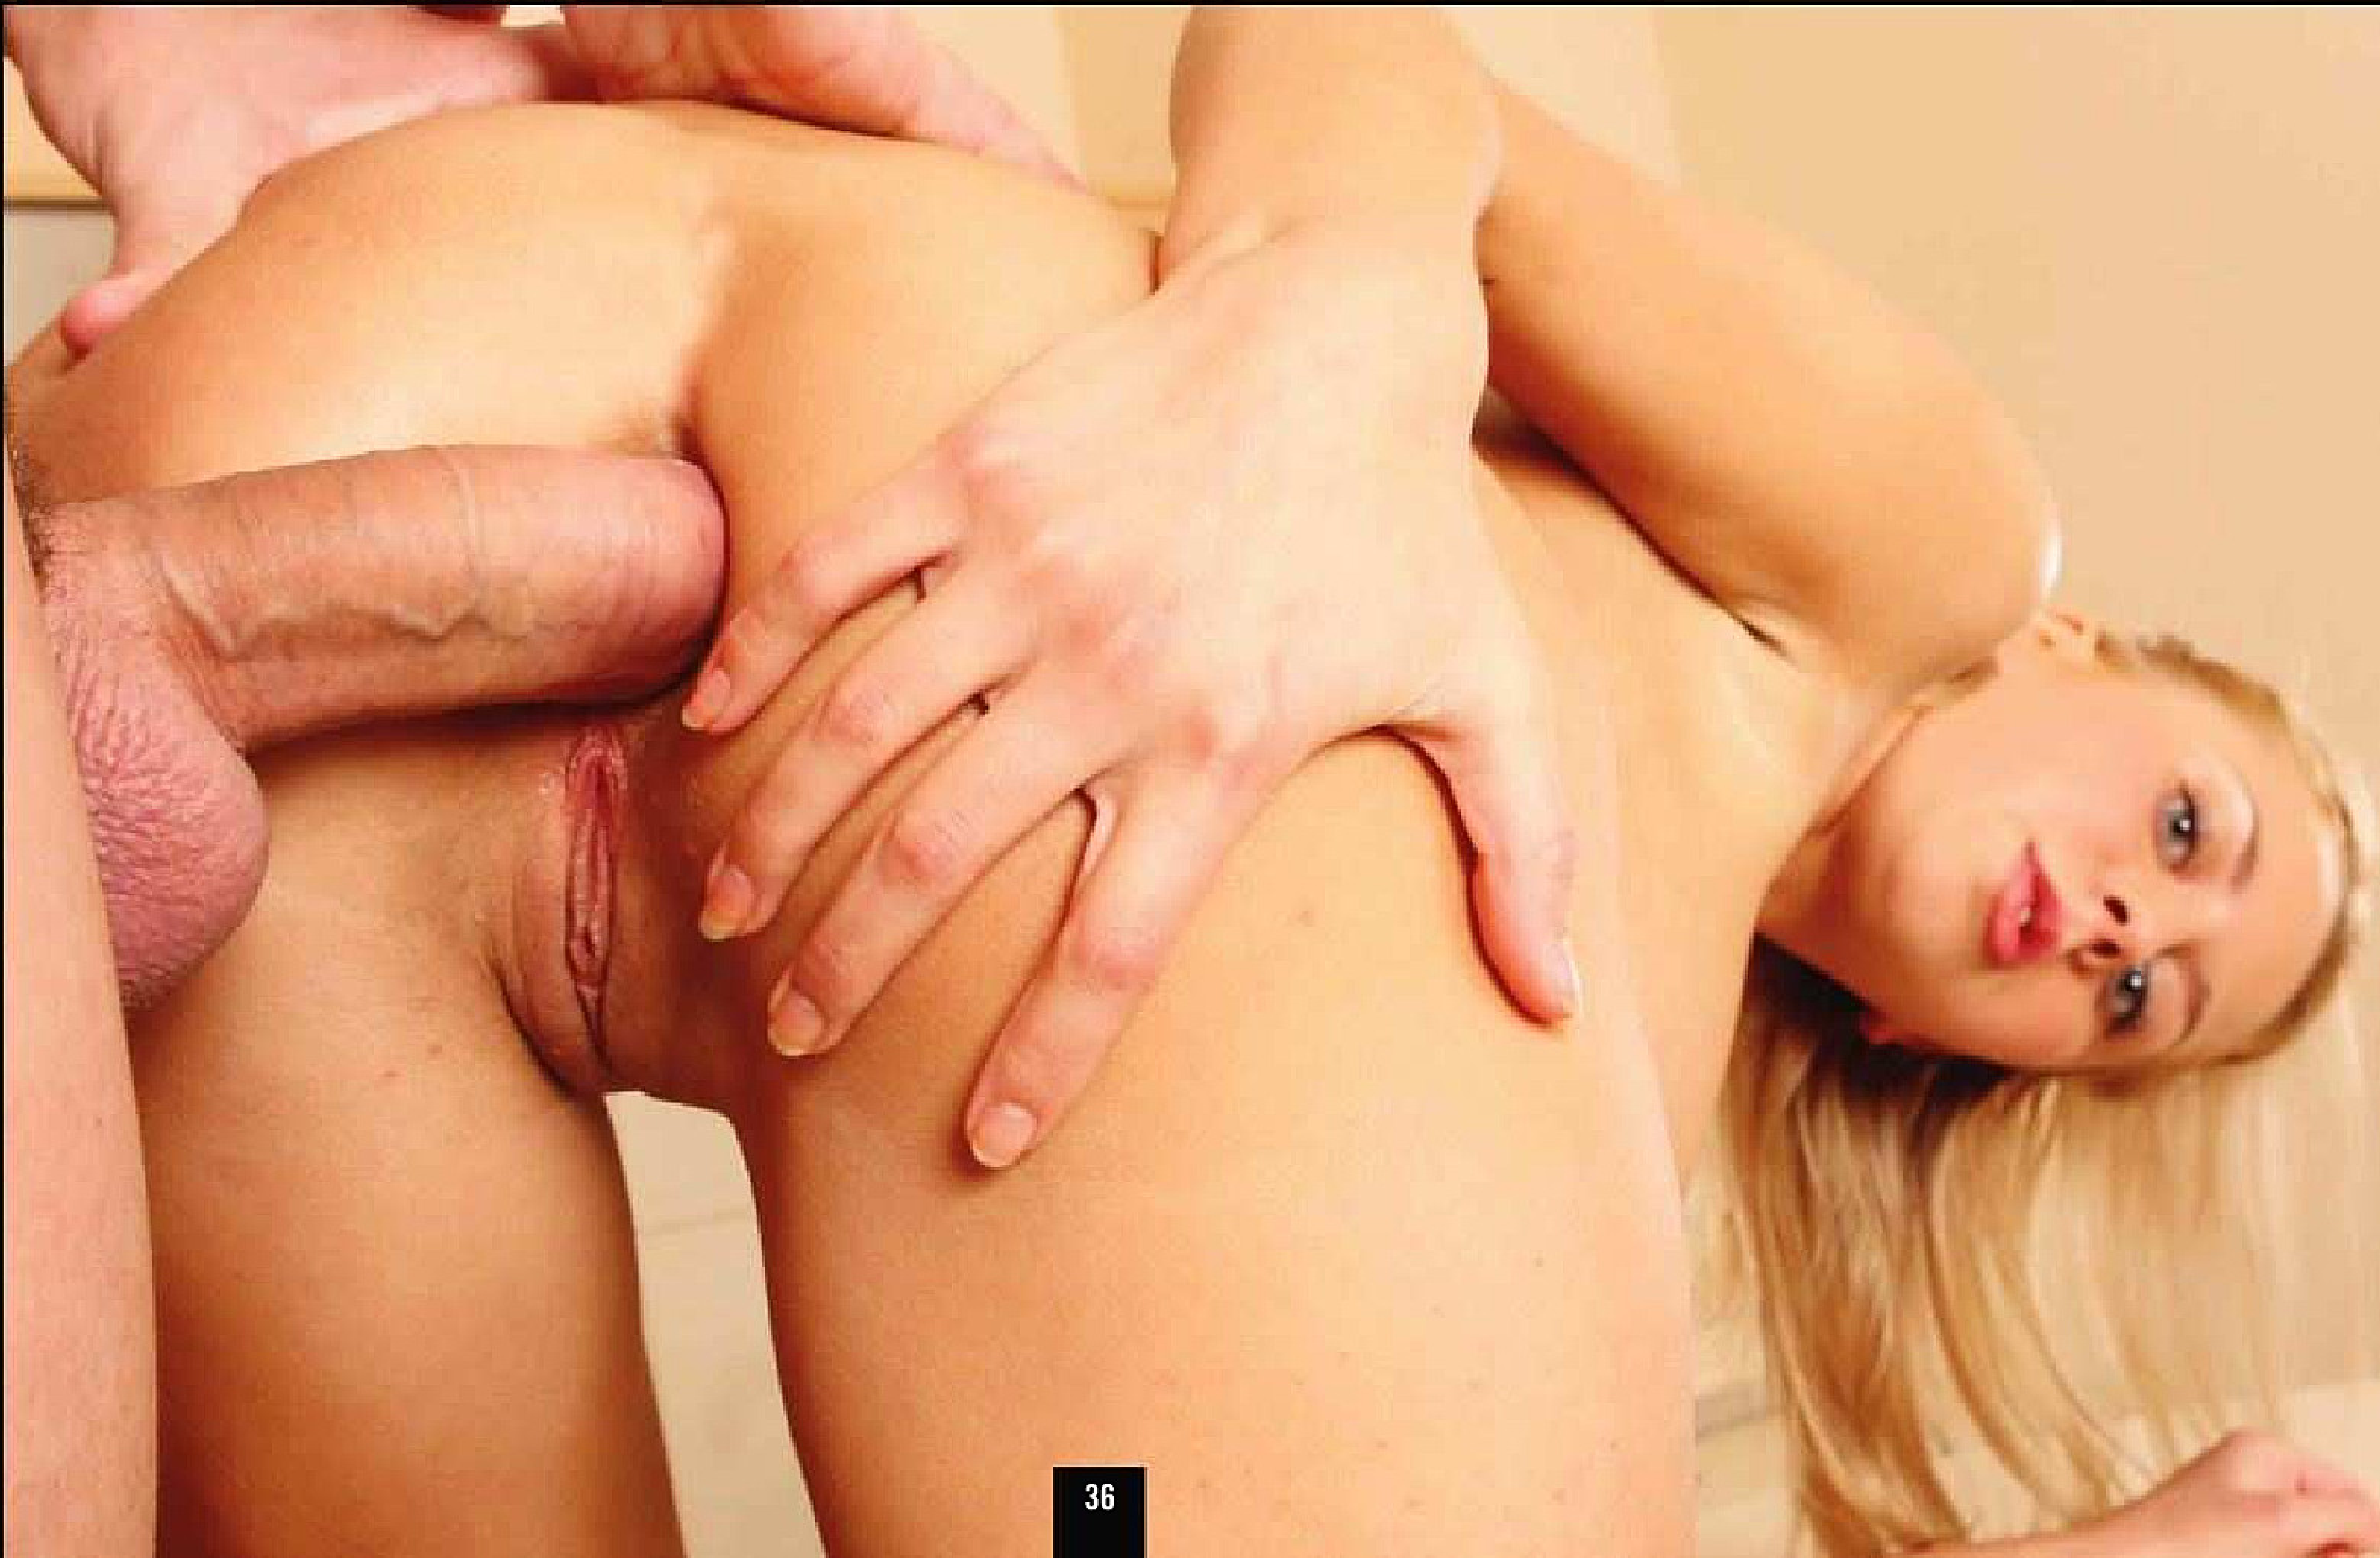
Busty

Big Boobs
Big Talent

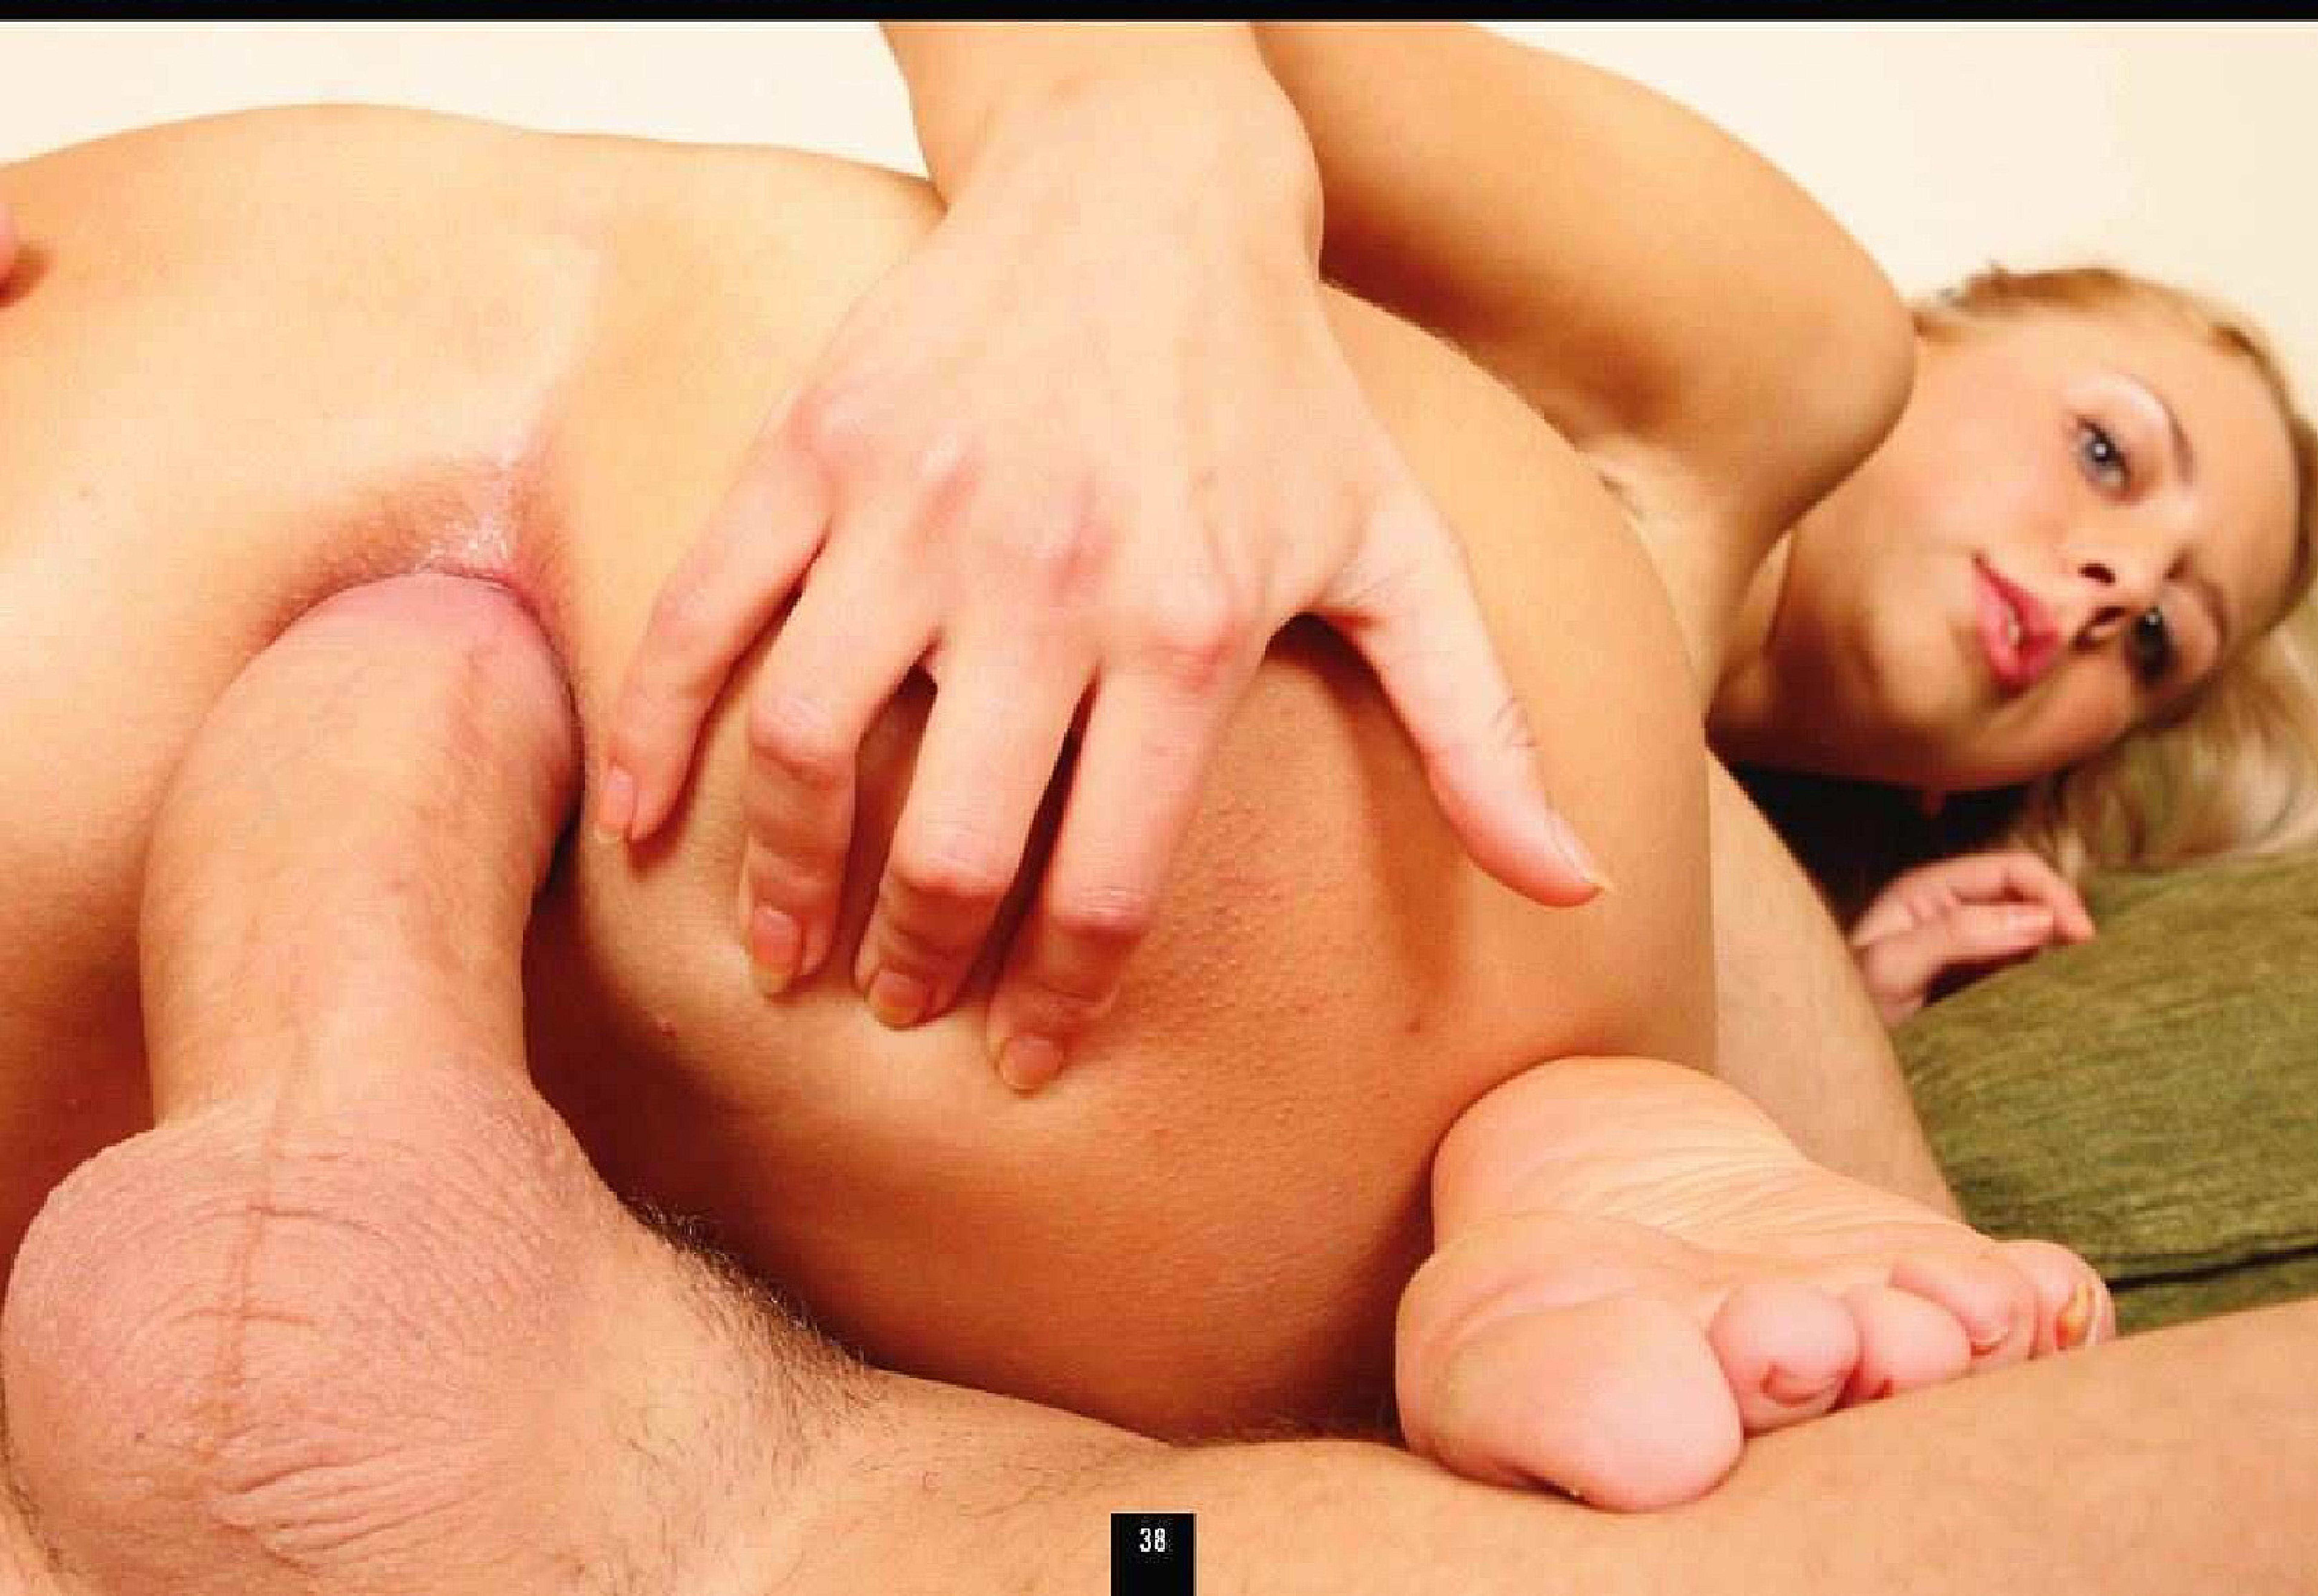
Her name says it all - Busty. How this girl is only just now starting out we'll never understand, but we're glad she picked us to test out her skills and to show us what those tits can really do. Trust us, her sexiness and talent definitely match her cup size.

This is one California girl who doesn't pass up the opportunity to show off her perfect sun-kissed body. No nudist beach required.

Don't let the innocent eyes and blonde hair fool you, this isn't the first time Busty has been down on her knees.



With Busty performing so well, we just had to find an even better way to make those voluptuous globes bounce and shudder with pleasure. We chose something she had never done before.



It was the first time she let someone enter her tight ass, but her moans of ecstasy make us think it won't be the last time. Looks like Busty has found her new favorite asset.

On top of it all, she swallows. And always makes sure to let some drip over her delicious double D's. Busty is ready for you, but are you ready to handle all of her?

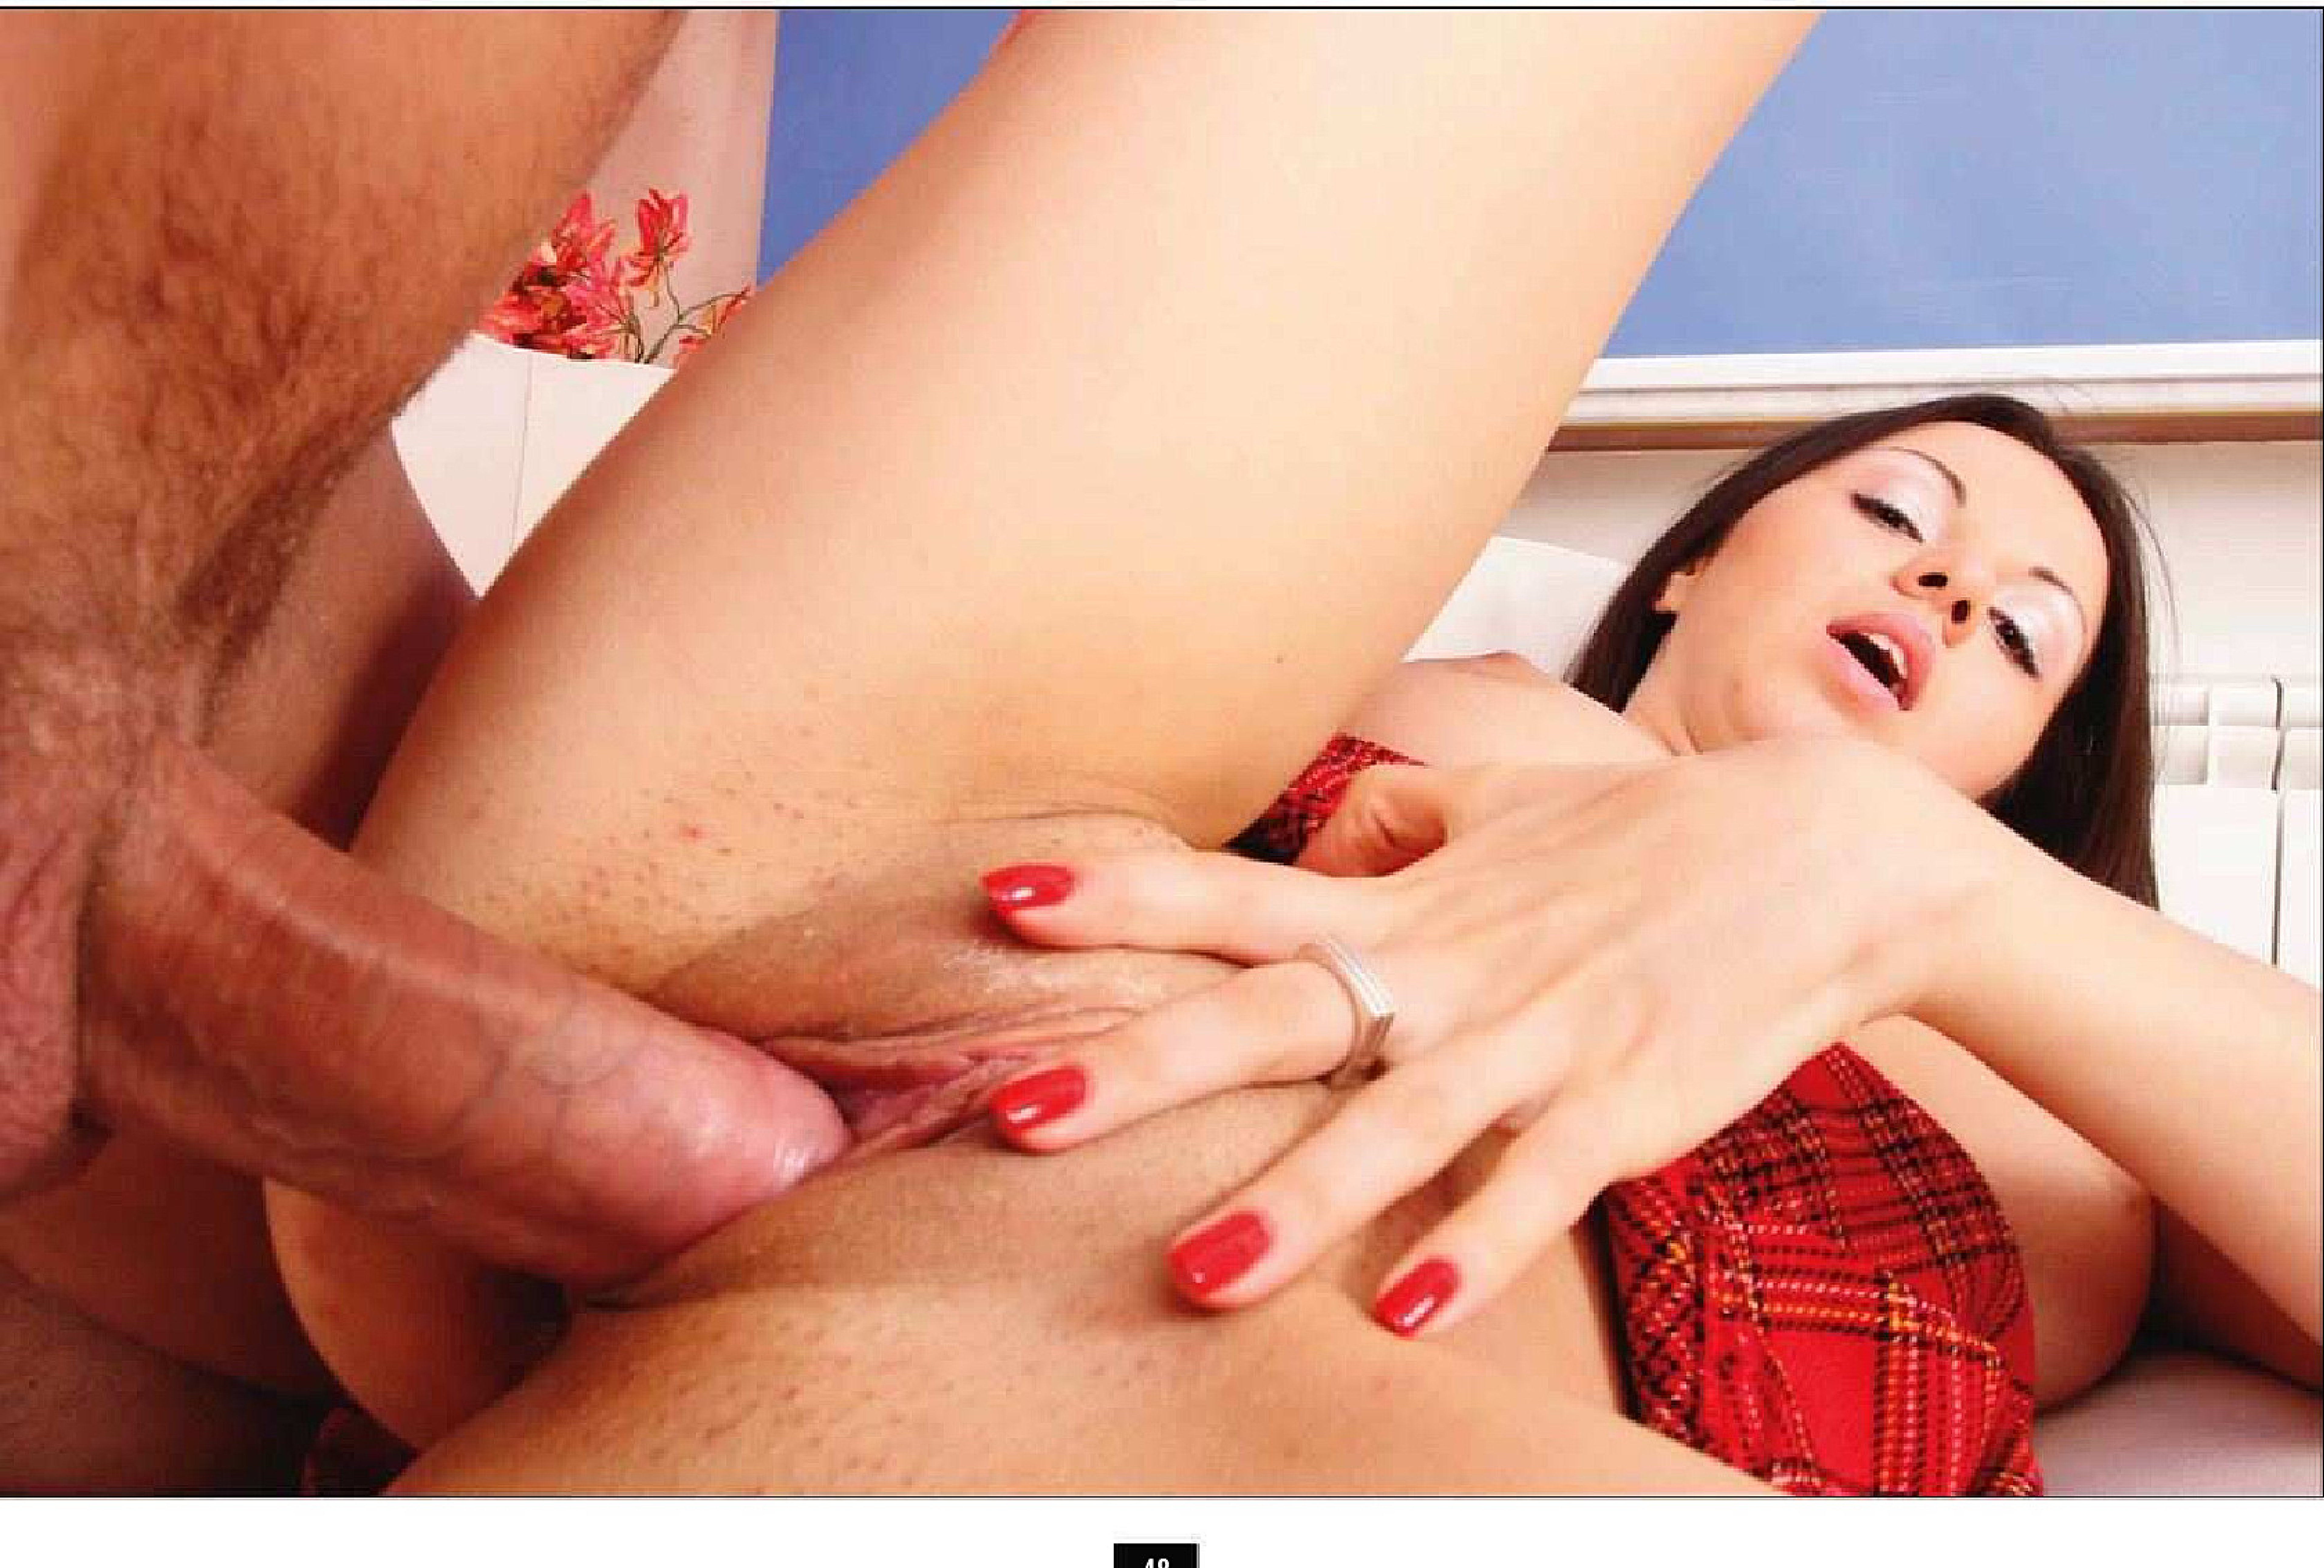
Christina

So Much For Private School

Christina might have gone to an all-girls private school in Manhattan's posh Upper East Side but the uniform and strict environmnet did nothing to tame her wild side. In fact, they only made Christina want to rebel even more, and find a better use for her schoolgirl uniform. And that's just fine with us. We'd rather watch her rip off her pleated skirt than wear it like a good girl.

Christina looks clean-cut but she's as dirty as they get. And did we mention she's a gymnast? This girl can bend.

With all the years she spent surrounded by girls, the sight of a juicy cock always makes Christina ready to offer herself.



As we suspected, having only had girls around to experiment with has made Christina extra raunchy when men are involved.

She's always ready to take any position that's asked of her - a true good girl.

Looks like all those strict rules have taught her about perseverance. Christina never stops and she's always wet and open to ideas.

Nadia

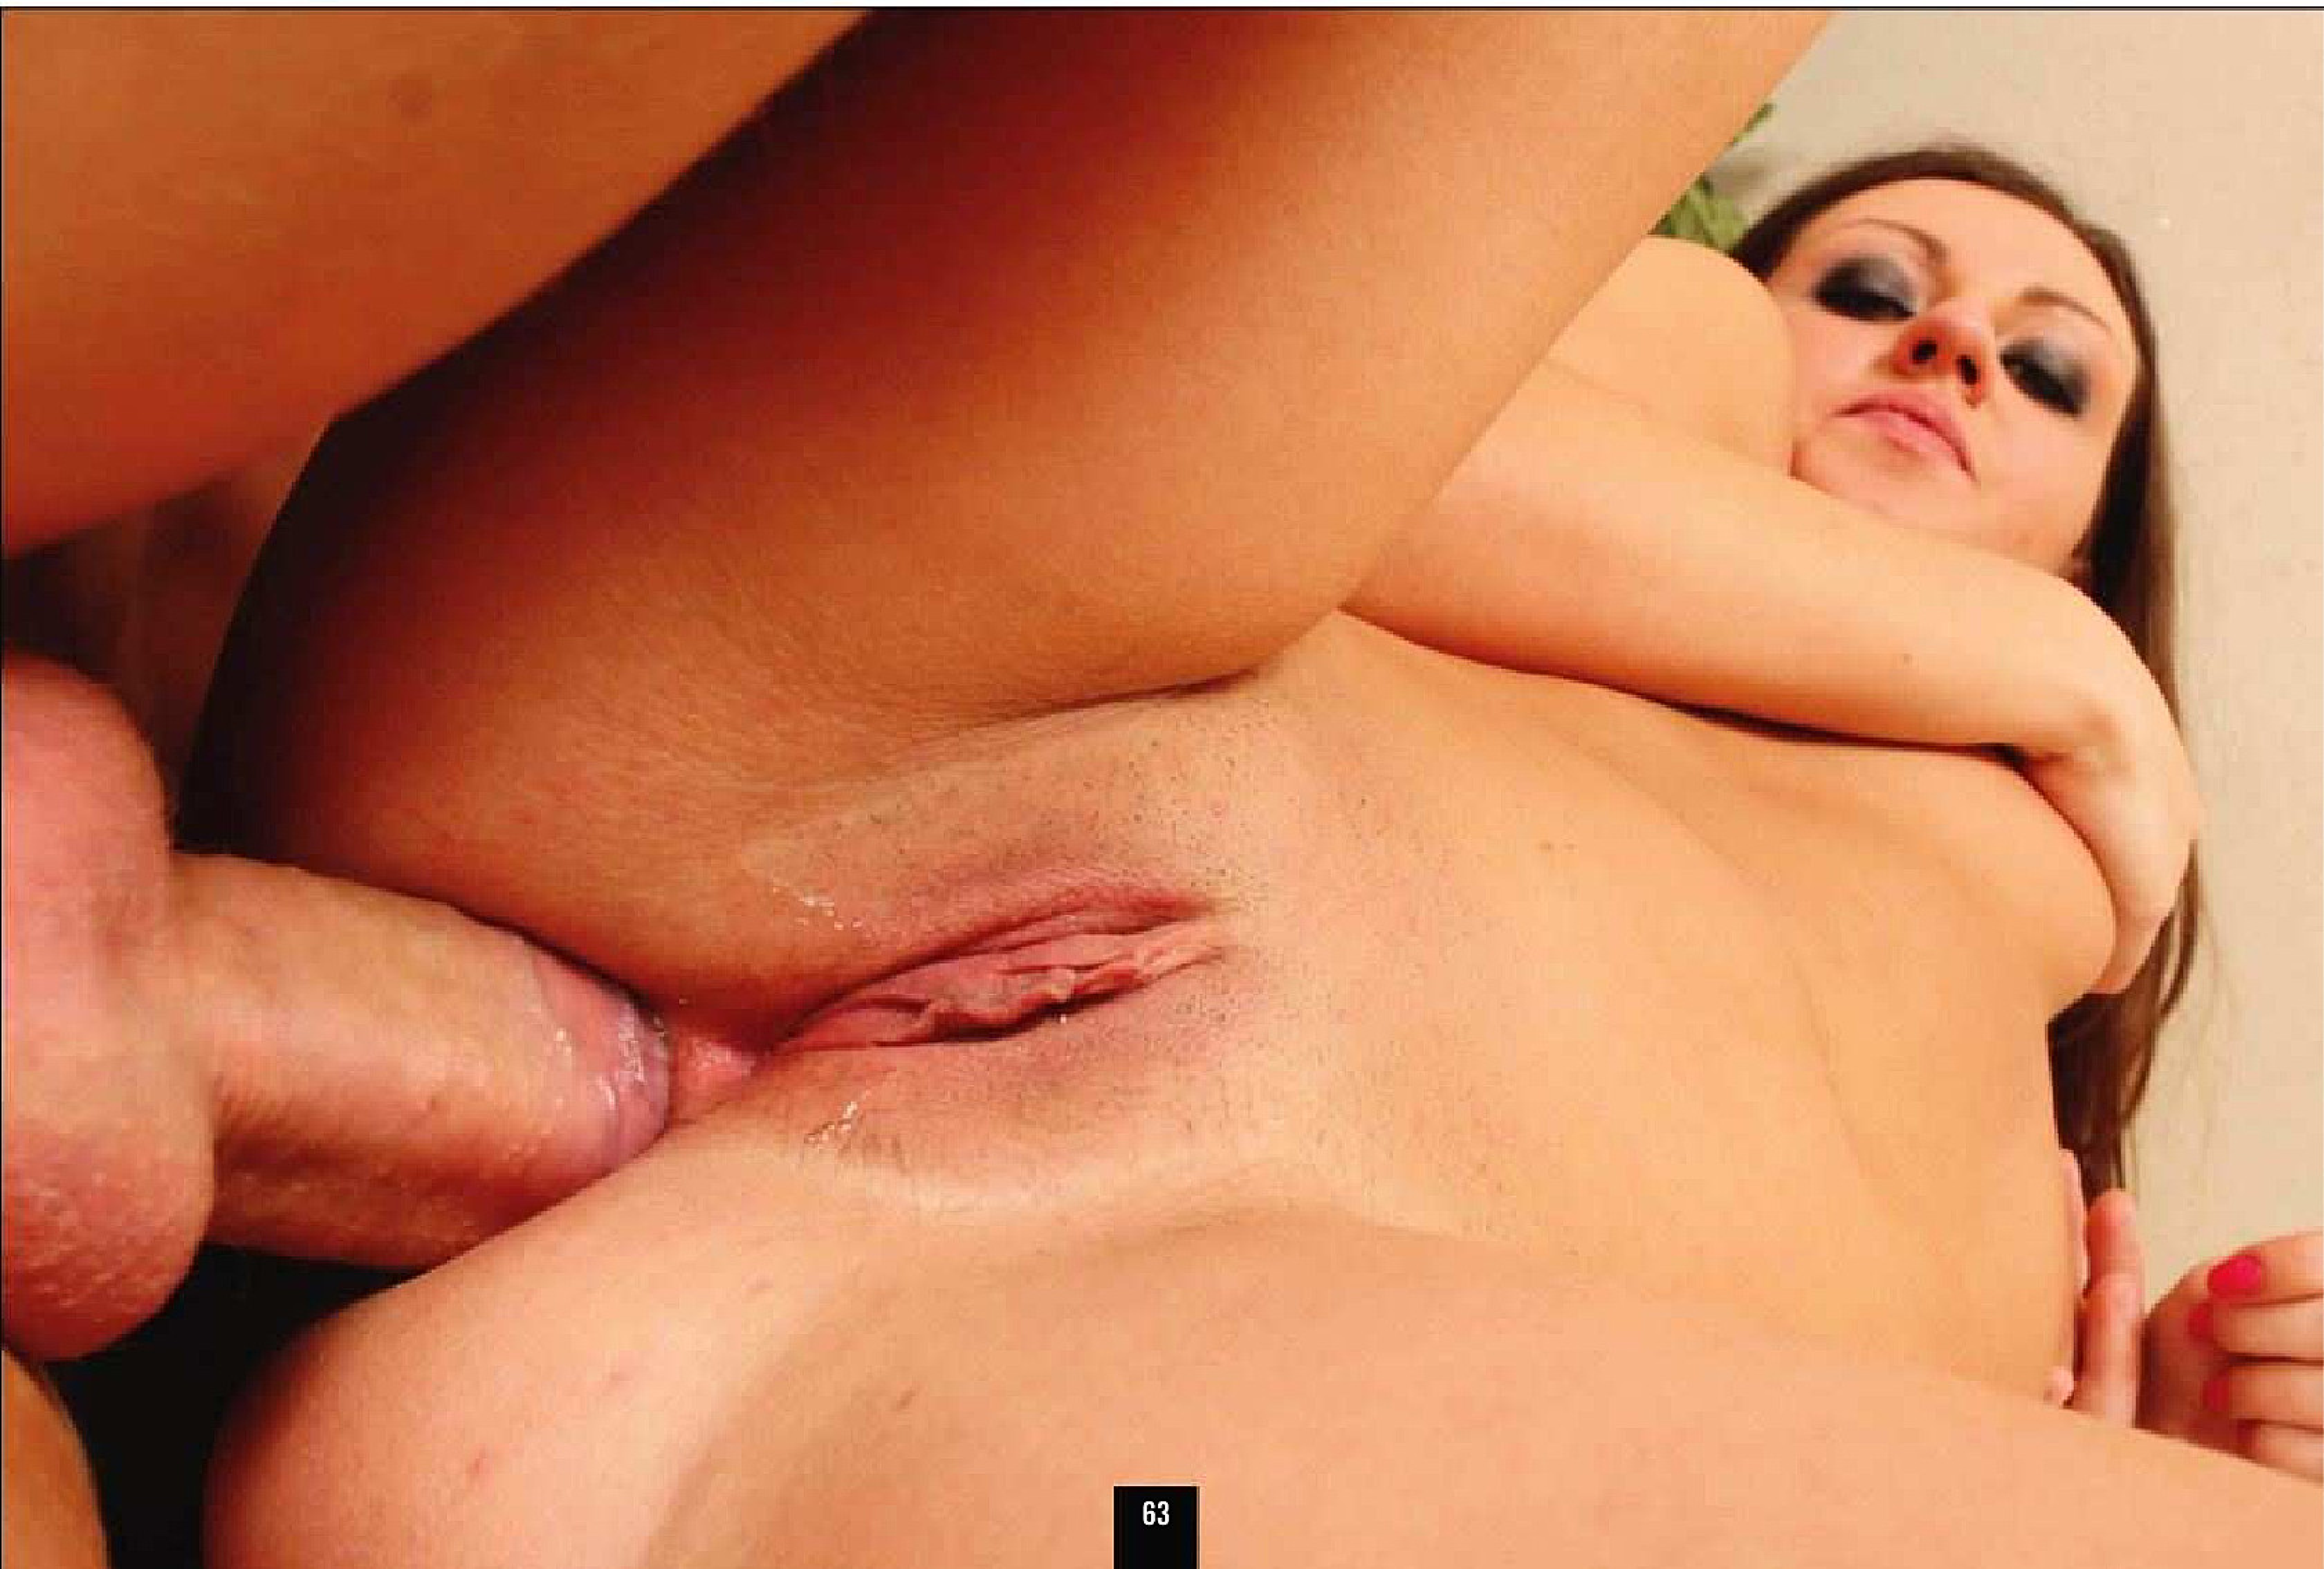
A True Workout

Nadia likes spending all of her free time sweating at the local gym and riding her bike through the bumpy roads of her rural hometown, but her workouts certainly don't stop there. No, this girl likes to ride in more ways than one. And who can blame her? What else is there for a wild, lonely girl to do in such a small town?

When the local guys could no longer keep up with Nadia's wild sex fantasies, she decided to come audition for us and find an audience who would appreciate her talents - the proper way.

Wet and drooling over what was in front of her, Nadia was ready for her close-up.

Finally, someone was willing to give Nadia something she had always cum over when watching movies.



As the shaft smoothly slid into Nadia with very little effort, there was no doubt that she had long been practicing for this moment alone with her toys.

As you can see, Nadia needs a man who can take control
and make all of her wet fantasies come true.
Is that man you?

OUT OF BOUNDS

I've always liked my roommate's boyfriend. Chris is tall and lean, with soft blonde hair and warm brown eyes, a deep-brown tan. And when he stayed over with us one weekend, I got to like him a whole lot more. Ellen had gone out to pick up some groceries for dinner, while Chris had gone into the bathroom to 'clean up' after helping us girls clear out our storage locker down in the basement of our apartment building. But, as I found out when I peeked around the edge of the bathroom door, what the pretty boy was doing was anything but clean; downright dirty, was more like it.

He was stretched out in the tub with the water up to his chin, and his cock stretched out in his hand. He was masturbating, stroking up and down his smooth, glistening erection with an expert motion. The water rippled over his beautiful body, soapsuds greasing the erotic hand-action on his upthrust prick.

I felt a tingling deep down in my pussy, watching the boy jack himself. He was totally immersed in the process, his eyes fixed on his hand gliding along his prong, his other hand swimming around on his hairless chest, pinching and pulling his tan, taut nipples.

I started replicating his deliciously naughty idea, sliding one hand up into my top, other hand down into my shorts. I touched tit and clit at the same time, had to bite my lip to contain my gasp of pleasure. Cupping and squeezing my left breast, rubbing my muff, I watched Chris stroke his meaty prong.

It was wild, wicked, wonderful almost as the real thing – me feeling myself up while the guy fisted himself up and down. His hand moved faster and faster on his pipe, polishing the gleaming shaft, almost pulling the shiny hood right off. I kept erotic pace, buffing my brimming button, pinching and rolling my buzzing nipple.

Chris gritted his teeth and really tugged, arching his bum up off the bottom of the tub. I hooked two fingers into my slit and pumped, brushing my clit with my thumb, kneading my tit like it was hot, firm dough. We were driving ourselves inexorably to ecstasy, the guy about to spout off, me about to drench myself. I couldn't let the opportunity pass with just a jack and jill contest.

I slipped inside the bathroom, anxious to give the lovely guy another hand. He didn't even notice me at first, so

absorbed was he in jerking off. I was literally standing right next to the tub, staring down at his rippling form and rock-hard erection. Then he just looked up at me and smiled, like he'd been expecting me all along.

"Got kind of excited working so closely with you girls this afternoon," he said by way of explanation, hand bobbing up and down his shaft.

"Mmm," I responded. "So I see."
I popped my shorts open and slid them down, along with my panties. The panties were just about as wet as Chris. I stepped out of the garments in my long, bare legs and shaven pussy and sat down on the edge of the tub. Then I reached out and gripped Chris' cock.

He arched up out of the water, his prick gliding between my encircling fingers, along my warm, soft palm. "Yes!" he groaned.

I could feel his hot, pulsing excitement, as I slid my hand back and forth on his shaft, swirled my fingers all around his hood. He stared at my legs, in between. I lifted a leg and dipped a bare foot into the bathwater, between his legs, so that I was straddling the edge of the tub with my slit on display. Chris' right arm emerged out of the water, and his fingers touched up against my swollen twat lips. I groaned, pumping him harder, faster, really corkscrewing my gripping hand on his towering dong. He rubbed my slit, his searching fingers finding my puffed-up button and brushing against it. His naked body shone before me under the water, his cock stretching, straining in my pumping hand. "Stick your fingers inside me! Fuck me with your fingers!" I gasped, glaring down at the gorgeous guy.

Two of his slippery digits instantly pushed into my pussy, plunging through my slickened lips and delving deep into my tingling tunnel. He went all the way in to his knuckles, and I shivered with pleasure. Then he started churning, fucking my cunt with his fingers, in rhythm to me jacking him with my hand.

We pumped faster and faster, staring at one another. His body quivered beneath the surface of the water, his cock surging still higher and harder in my frantically tugging hand; his fingers flying in my slit, pistoning me full of shimmering heat.

"Yes! Sweet Jesus, yes!" he suddenly cried. His body bowed upwards on the raw edges of his orgasm, cock spasming and spurting.

Hot semen leapt out of his slit and rained down onto my hand and wrist, as I kept on stroking hard and tight and fast. His bumping thumb found my clit, and I cried out and came with a brutal, blissful intensity, shaking uncontrollably.

"You don't feel bad about cheating on your girlfriend?" I asked him afterwards.

He shrugged in the tub, grinning wolfishly, his cum dappling the water.

"Good," I said. "Because, actually, I really prefer girls. I've been doing Ellen the entire time she's been going out with you."

Words To Get You Off

THE FUCKERS CLUB

My bitch of an ex had smashed my cellphone, so I borrowed one of my buddy's for a couple of days until I got a replacement. And on Day 2, I got a message on his cell that made me forget all about my ex, and think about nothing but sex.

I was flipping through some skin mags at a store downtown when the phone started vibrating in my pocket, warming my dick up even more. I hadn't had pussy in a month, and I was hungry.

The text read: 'Gang-bang at Dave's. Danielle is putting out.'

I stared at the tiny screen, hardly believing what I was reading. My buddy was a certified public accountant, for Christ's sake. But sure enough, there was a 'Dave' in his contact list, complete with a home address.

I shelved the Hustler, raced out of the store, and lead-footed it on over to Dave's place, using my GPS as my guide.

I still thought it was some kind of joke, when I pulled up outside Dave's house in the 'burbs. My buddy had a wife and kids, after all.

But there were cars parked up and down the tree-lined street in front of the two-storey home. And when I walked in the cracked-open front door, followed the sounds of voices down the stairs into the basement, I quickly became a believer.

This skinny, black-haired skank was stretched out on her back on a short padded bench in the middle of the room, one dude dick-deep in her pussy at one end, another guy just about full-length in her mouth at the other end.

I gulped, shocked and amazed. The girl was getting pushed back and forth on the bench by the force of the two thrusting cocks, pussy leaking juice from around the one fat slammer, mouth drooling saliva from around the other pink pumper. Both guys were fucking her sexholes hard. While five or six other men stood in line behind each of them, hard-on's in their stroking hands.

The fucked-up slut was totally naked, her twat shaven smooth, little tits capped by jutting pink nipples. Her arms were inked with tattoos from her bony shoulders to her skinny wrists, her nipples pierced with purple barbells, her bellybutton and top of her pussy with silver rings.

The one guy was shouldering her legs and hammering his cock into her cunt, while the other guy held down her head and stuffed his prick in and out of her mouth. I watched them fuck her, then come in her. They jerked and blasted almost at the same time, shooting the slut's mouth and throat full, deep-creaming her pussy. The smell of sex funked the whole basement.

I might've left right then and there; this was like nothing I'd been a part of before, and I could hardly believe my good buddy was a part of it. Except that my cock had gone hard as a slab in my pants, just from watching. I hadn't had pussy in a month.

I got in line.

By the time I finally made it to the whore's mouth, she was a total mess. Her head hung down over the end of the bench, her face beet-red, mascara streaking down from her glazed violet eyes, snot streaming out of her gasping nostrils. She was getting rocked to and fro by the guy pumping her gash at the other end. Her mouth gaped open.

I speared my dong inside, shooting down her throat to the balls. "Jesus!" I yelped.

The bitch was like a drain, no gag reflex at all. My dick got buried in heat and moistness. I grabbed her razor-cut bangs and fast-fucked her face, balls slapping her nose.

It was sick, twisted, perverted … fucking wild! I don't know who she was or how much she was getting paid, if anything. But she was getting it all from me and the dude in her pussy, the pair of us driving her hard.

Her smeared, purple-painted lips slid up and down my shifting shaft, mouth and throat tight and juicy as cunt. I was ready to blow my load after only a minute or so of awesome, depraved oral.

But I wanted pussy. I wanted to bury my cock in the slut's steaming cunt and blow off my blue balls there.

So I pulled out of her mouth, ran around to the other end. She swore, and so did the next guy in line at her twat. But just then the black dude fucking her shouted and shot, emptying his balls inside of her. I hit her slit right after him.

It was disgusting – sloppy who knows how many. But it was cunt, and I was sack deep in it, her hot, mushy tunnel swallowing up my needful rod. I slammed back and forth, screwing the bitch.

This time, I wasn't holding anything back. She had another cock already bulging her cheeks and plowing her throat, and I felt her thighs tighten around my waist, as that guy prematurely went off with a whimper, coating her windpipe.

I pumped in a frenzy, then spasmed myself, suddenly shocked by massive orgasm. The whole crazy gang-banging scene intensified everything. I blasted round after round into the girl's twat, rocked back on my heels by the force of my ecstasy.

She was calling for guys to step up to her ass when I staggered out of there.

I made sure I added my own email address to that kinky mailing list, before I gave my buddy back his phone.
